GIFT YOUR CHILD THE BEST

MY BEST GIFT

In conjunction with our 2026 **GIFT YOUR CHILD THE BEST** campaign, globalart proudly presents **MY BEST GIFT** as the official theme for our National and International Art Competition.

This meaningful theme invites children aged 4-18 to express through imagination, drawing, and coloring the most special gift they have received – from treasured memories and family love to friendship, beloved pets, or even a dream gift they hope for.

Beginning at the National level and advancing to the International stage, this event nurtures creativity, emotional expression, and confidence. Students gain exposure and recognition, while teachers, franchisees, and parents celebrate their achievements.

We look forward to your enthusiastic participation!

Katsushika Hokusai (1760–1849) was one of Japan’s most celebrated artists and a master of the Ukiyo-e movement, meaning “Pictures of the Floating World.”

Known for dynamic compositions and expressive woodblock prints, he captured landscapes, nature, and daily life with remarkable detail.

His iconic works, including those featuring Mount Fuji, influenced not only Japanese art but also European movements like Impressionism, shaping the direction of modern art worldwide.
